ADVANCE ON PEKING BEGUN BY THE AMERICANS, BRITISH AND JAPANESE.

Not Known Whether Other Powers are in the Movement.

Food in Peking Scarce and the City in No Condition to Endure a Long Siege.

LONDON, August 1.—"The allies began the advance from Tien Tsin this morning," announces an agency bulletin dated Shanghai at 11:10 a. m. today.

It is assumed that the Americans, British and Japanese are taking part in this forward movement whether other nationalities are or not.

An advance base will probably be established twenty or thirty miles nearer Peking, and supplies will be assembled preparatory to a direct stroke at the Capital.

LONDON, Aug. 1.—Of the 60,000 allies embarked at 19 Old Li ports, English military observers consider that 30,000 are available for an advance beyond Tien Tsin. The Chinese forces, according to the vague gathering of the allies' intelligence officers to July 27th were disposed in a great arc thirty miles long and distant ten or fifteen miles. The number and exact location of the several divisions are utterly unknown. The 1st Ho river is blocked by sunken stone-laden junk for twenty miles beyond Tien Tsin and farther up, according to Chinese spies of the allies, a dam has been constructed for the purpose of flooding the low-lying expanse of country.

The first engagement of the relief expedition will probably be at Pei Tang, where the Viceroy of Yulu personally commands. The following information was brought to Tien Tsin Wednesday, July 26th, by a Chinese missionary student, who was sent by the British legation. He received the message entrusted to him and left July 24th. He saw a few troops between Peking and Yang Tse. No works had been constructed. Food in Peking was scarce and the city would be quite unable to endure a siege.

Among the scraps of information brought by another courier, who left Peking July 14th, was the fact that General Ma, a notable Boxer chief, had been killed by the Legations.

Shanghai telegrams of this date say the foreign Consuls met yesterday and decided to invite Admiral Seymour to take command of the Shanghai defenses. The United States Consul General, on behalf of the Consuls, visited Admiral Seymour and he promised to draw up plans and submit them to a council of officers. The Shanghai Municipal Council objects to the consular action.

The British Second Infantry Brigade has been ordered to embark at Hongkong to form a flying column to serve anywhere in China.

Two more transports with Indian troops on board are due to arrive today. The Customs officers at Canton have seized a Chinese junk which had 2,000 rifles and much ammunition aboard.

CHINA'S ATTEMPTS TO PREVENT POWERS' ADVANCE ARE VAIN

Associated Press Dispatches by The Tribune's Special Leased Wire. WASHINGTON, Aug. 1.—The safety of the Ministers at Peking being temporarily assured, the attention of the governments is now being directed toward two objects: First, to effect the per-

FOUR THOUSAND BOERS CAPTURED

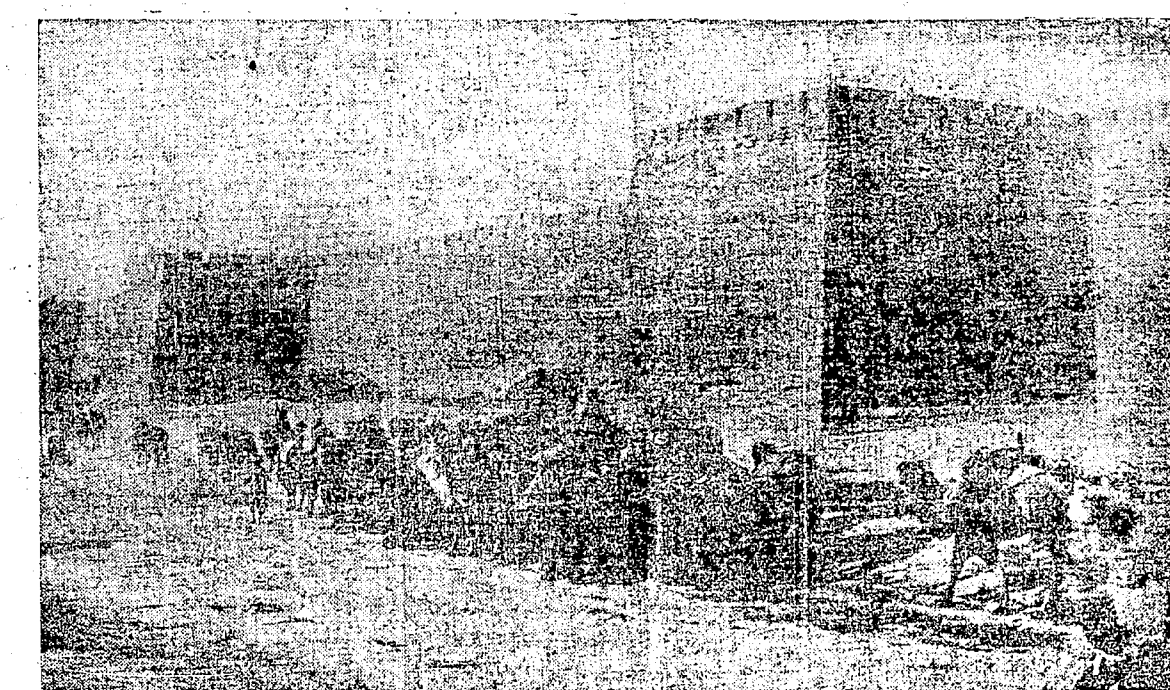

Signal Success of the British Reported by Lord Roberts.

LONDON, Aug. 1.—Lord Roberts has telegraphed to the War Office as follows:

"PRETORIA, Aug. 1.—Hunter reports 1,200 more prisoners surrendered yesterday, with Commandants Rouse and Fontenel, whilst Commandants Deysel, Potgieter and Joubert surrendered to Bruce Hamilton, who collected 1,200 rifles, 650 penies and an Armstrong gun. Lieutenant Anderson, a Danish officer in the 1st Artillery, also surrendered. Oliver, with five guns and a number of Bur-

ghers, broke away in the Hartrismith district, but Hunter expects the total number of prisoners will amount to 4,000.

"An unfortunate accident occurred near Fredericksburg on the Krugersdorp-Potchefstroom Railway. The enemy had torn up rails, and a supply train escorted by the Shropshires was derailed, thirteen being killed, thirty-nine injured, although a special patrol had been ordered to prevent trespassing. A special inquiry has been ordered to ascertain why the order was disobeyed."

recommended by medical authorities at Nagasaki or Surgeon Anderson at Yokohama. Army hospital ship Relief is plying at Nagasaki for Tokyo. Japanese hospital ship alternating here at our disposal if needed. Lieutenant Leonard's condition favorable, recovery hopeful. Russell's command ordered Tien Tsin. Hard fighting in Peking.

"REMEY."

Major Russell's command consists of 25 marines, who sailed from San Francisco on the Grant with General Chaffee. The cable from Admiral Remey shows that he has sent home on the hospital ship Solace those who were wounded at the battle of Tien Tsin and those who were sick among the American forces. His statement that the Japanese hospital ship will be at our disposal for conveying sick and wounded to Nagasaki is welcome intelligence and may relieve the situation materially in case of hard fighting.

PREPARING FOR ADVANCE ON PEKING.

Associated Press Dispatches by The Tribune's Special Leased Wire. TIENTSIN, July 27 (via Chefoo, July 26 and Shanghai, Aug. 1).—The American commander received orders from Washington today not to delay the advance on Peking. He was also informed that heavy reinforcements are en route.

Great activity is noticeable at Japanese headquarters. Transport preparations are being hurried. It is exceedingly unlikely that either the Japanese or the British intend to be left behind the Americans, though the British preparations are a long way from completeness. The Japanese organization, on the other hand, excites the admiration of all.

The total strength of the allies here is 17,000. Reinforcements are arriving daily.

MINISTERS SAFE DECLARES CHINESE IMPERIAL EDICT.

Associated Press Dispatches by The Tribune's Special Leased Wire. WASHINGTON, Aug. 1.—The Chinese Minister called at the State Department early today and presented to Secretary Hay a copy of the following dispatch from Li Hung Chang, which was received by Minister Wu last night from the Chinese Minister in London:

"Just received a telegram from Paoing Fu of the sixth moon, 23rd day, July 19th, that the Privy Council had that day received an imperial edict as follows: 'We have received the memorial of Li Hung Chang and others imploring us to save and protect the Ministers of the various nations. Now the Ministers are all safe and all, and Li Hung Chang is directed to wire to Yang Yu and others so that they may inform the respective secretaries of the foreign affairs accordingly. Respect, this.'

"This telegram has been delayed in its transmission. The other day I and the other Viceroy sent a joint memorial requesting that the different Ministers be escorted out of Peking or that they first be enabled to freely communicate by letter or wire with their respective governments. When an imperial answer is received I will again wire. Communicate this to Minister Yang at St. Petersburg, Minister Yu at Paris and Minister Wu at Washington for them to inform the respective foreign secretaries."

RUSSIANS HARD PRESSED NEAR PORT ARTHUR.

Associated Press Dispatches by The Tribune's Special Leased Wire. ST. PETERSBURG, Aug. 1.—Official dispatches from the Far East continue to show that Russian military commanders there have all they can do to cope with armed Chinese in the territory adjacent to Port Arthur. Russian detachments are seeking to disarm native soldiers, who are in the neutral zone contrary to treaty stipulations.

Fighting has occurred in various parts of the Liau Tung peninsula. One detachment was twice attacked by imperial troops, clad as civilians and with their

METHODIST MISSIONARIES IN PEKING.

Associated Press Dispatches by The Tribune's Special Leased Wire. NEW YORK, Aug. 1.—The Rev. Dr. A. B. Leonard of the Methodist Missionary Society today received the following cable from the Rev. Frederick Brown at Chefoo:

"Family Gamewell, Walker, men, Hobart, King, Verity, David, George, Mrs. Jewell, Edward, Miss Gloss, Terrell, Martin, Gilman, Terry, Eighteen Peking, Men, Pyke, Martin, Edwards, self, Benn, Tien Tsin, others general home."

Dr. Leonard interprets this as meaning that eighteen persons of the Methodist colony are in Peking. These include the families of F. D. Gamewell and W. F. Walker, W. T. Hobart, H. E. King, G. W. Verity, G. R. David, G. W. Lowry, Mrs. Charlotte Jewell, Mrs. Edward K. Lowry, Miss Anna D. Gloss, Miss Alice Terrell, the Misses Elizabeth and Emma Martin, Miss Gertrude Gilman and Miss Edna G. Terry. He understands also that there are at Tien Tsin James H. Pyke, Victor Martin, Edward K. Lowry and Frederick Brown and Miss Rachel B. Benn. The following have started home: J. F. Hayner and wife, J. F. Hopkins and wife, Ida M. Stevens, Frances O. Wilson, Edna J. Glover, Miranda Groucher and May E. Shockley.

A telegram was received today by Rev. Dr. Arthur C. Brown of the Presbyterian Board of Foreign Missions from Rev. W. O. Ellertsen from Chefoo as follows: "People Peking, holding out. Report Shanghai missionaries Paoing Fu massacred. Chefoo situation unchanged. Continued slaughter Christians."

MORE INDIAN TROOPS WILL BE SENT TO CHINA.

Associated Press Dispatches by The Tribune's Special Leased Wire. SIMLA, Aug. 1.—Another brigade of troops will be ordered to China tomorrow.

MACDONALD REFUSES TO QUIT PEKING.

Associated Press Dispatches by The Tribune's Special Leased Wire. LONDON, Aug. 1.—It is reported that another letter from the British Minister at Peking, Sir Claude Macdonald, dated Tuesday, July 27, has reached Tientsin. The Chinese government has renewed the suggestion that the Ministers leave the capital, but the Minister declined. The Belgian government has received news that the allies have already marched eight miles in the direction of Peking.

LEGATIONERS LIVING ON RICE AND HORSE FLESH.

Associated Press Dispatches by The Tribune's Special Leased Wire. CHICAGO, Aug. 1.—A cable dispatch to the Daily News from Chefoo, July 31, via Shanghai, August 1, says:

"Dr. Robert Guitman Jr., the staff correspondent of the Chicago Record in Peking, who has not been heard from since June 12, sends the following dispatch: 'PEKING, July 21.—Baron Von Ketteler, the German Minister, was murdered by Chinese troops and his secretary wounded June 20th, while on his way to the Tsinan Li Yamen. The foreign residents are besieged in the British legation and have been under daily fire. Our losses are sixty killed and seventy

wounded. The Chinese losses exceed 1,000.

"There has been no word from the outside world. Food is plentiful, such as it is—rice and horseflesh. Yesterday, under a flag of truce, a message was sent by Yung Lu, asking if Sir Claude Macdonald, the British Minister, would consent to a truce. The Minister replied he was willing, provided the Chinese came no closer. The shell firing then ceased and everything is now quiet."

"We now hope that, having defeated the Chinese, relief is near us. We are all exhausted with constant standing on guard, fighting, building barricades and digging trenches both night and day."

"All the legations except the British are utterly wrecked by shell and shot. The Austrian, Italian, Belgian and Holland buildings are burned to the ground. The British Legation also is much shattered. The United States marines still hold a vital position on the city wall, commanding the legations."

"After a brilliant sortie on the night of July 2, Captain Myers succeeded in driving back the Kansuh mounted troops. During the fight Captain Myers was slightly wounded. Secretary Squiers of the United States Legation deserves the greatest credit for his services throughout the siege. His military experience and energy are invaluable. Many flags and rifles were captured by Captain Myers."

"We fear that treachery is possible when the defeated Chinese troops enter the city. Meanwhile we are living in intense anxiety and hope for early relief."

DALTON WILL FIGHT IT OUT.

He Will Consider the Matter of Running Independent.

"I have not got that far along yet. You can say I will take the matter under consideration."

This was the response Assessor Dalton made to the following query of a TRIBUNE reporter:

"Will you abide by the result of the Republican primaries or run independent?"

Mr. Dalton declined to make any further statement in regard to his position. "It is rumored, Mr. Dalton, that you will withdraw from the contest for the Republican Congressional nomination," said the reporter.

"I have not changed my plans in the least," replied the Assessor. "I am in the fight to stay, and they will find that my hands are not behind me."

"I am a Republican." This is all Mr. Dalton would say on the subject of his candidacy.

ASSASSIN'S ACCOMPLICES ARRESTED.

His Brother Denounces Act as a Coward's Crime.

Great Excitement in Milan and Troops Held in Readiness.

Associated Press Dispatches by The Tribune's Special Leased Wire. ROME, Aug. 1.—In the course of his examination yesterday Bressi did not say that he had been designated to assassinate King Humbert. It is now believed that the crime was arranged in Paterson, N. J.

A man named Salvatore Quinlavi, who returned from the United States with Bressi and accompanied him to an anarchist meeting in Paris, has been arrested at the Rio Marina on the island of Elba. The police found on him letters and photographs of anarchists. Antonio Lanzeri, who accompanied Bressi from the United States, has been arrested at Ivrea. In consequence of these arrests the belief in the existence of a plot is increasing.

Bressi's brother, who is a lieutenant in the Italian army, stigmatizes the crime as the most cowardly act of the century. He had no news of his brother for a long time, and thought he was still in the United States.

Parliament has been summoned to meet August 6.

It is stated that Queen Margherita will retire to Stresa to live with her mother.

"The clearest throughout Italy are holding memorial services today."

Great excitement is reported at Milan. The troops are in readiness at their barracks to prevent a disturbance.

A score of prominent anarchists have been arrested.

"We now hope that, having defeated the Chinese, relief is near us. We are all exhausted with constant standing on guard, fighting, building barricades and digging trenches both night and day."

GEN. BOTHA'S WIFE A GUEST OF ROBERTS.

Misrepresentations of Kruger Ruin Many Burghers.

Boer Forces Kept Together By Stories of British Disasters.

Associated Press Dispatches by The Tribune's Special Leased Wire. PRETORIA, Tuesday, July 11.—Mrs. Botha was the guest of Lord Roberts at dinner yesterday evening.

The Boer antipathy to President Kruger grows on account of the fact that he and his officials are persuading the people that South African republic paper money is as good as Bank of England notes, because it is based on intangible State securities, even though the State should be conquered. As the English have not recognized this contention many burghers have been ruined and much misery prevails. The wives and children of the poorer Boers are almost starving.

General Botha's force is kept together by extraordinary inventions. This correspondent has seen an official circular asserting that Lord Roberts was forced to retreat south of the Vaal, and that Lady Roberts escaped in a balloon.

JESTER'S FATE IN JURY'S HANDS.

Associated Press Dispatches by The Tribune's Special Leased Wire. ST. LOUIS, Aug. 1.—A special to the Post-Dispatch from New London, Mo., says:

"The fate of Alexander Jester, on trial for the alleged murder of Gilbert W. Gates, is now in the hands of the jury. The case was given to the jury at noon today, twenty-nine years after the supposed murder occurred."

W. O. Forrest of Chicago closed the argument this morning, speaking four hours for the State. He referred particularly to the strength of circumstantial evidence, declaring that it was stronger than direct evidence. The very fact that all of the evidence in this case did not agree in unimportant details, but did as to the main facts, he said, was conclusive that it was not perjured testimony, manufactured to order, as the defense declares.

SPRECKELS' RANCH HOUSE BURNED.

Associated Press Dispatches by The Tribune's Special Leased Wire. KINGS CITY, Cal., Aug. 1.—A fire started here last evening about 8 o'clock on the Spreckels ranch, about a mile from town. The office, dwelling-house, dining room, bunk-house and kitchen were entirely consumed. The office furniture and books and nearly all the stores were saved. The fire was supposed to have been a defective stove in the kitchen. Loss about \$1,500. No insurance.

been arrested. The police are active and other arrests are expected to follow.

When Quintavelli was arrested at Porto Ferrajo a large crowd cried to take him from the officers to lynch him. He was taken to prison with great difficulty.

BRESSI'S WIFE DESTITUTE.

NEW YORK, Aug. 1.—Captain Usher of the Hoboken police said today that Mrs. Bressi, wife of the assassin of King Humbert, was in such a nervous condition that she had gone to the house of a friend for rest. The woman is destitute. She tries to hope that the man arrested in Italy is not her husband, but she is advised that there is little reason for hope. She will be kept under police surveillance.

According to cable dispatches from Milan, letters found in the pockets of Bressi, King Humbert's assassin, were signed "Fabrizi" and had been sent from Paterson, N. J. These letters, it is stated, show that a plot existed to assassinate King Humbert. The only "Fabrizi" to be found in Paterson is the Rev. Dr. Francis Fabris, pastor of the Church of Our Lady of Victories.

Father Fabris, when questioned today, said he did not remember the man Bressi and that he certainly had never written any letters to him.

A Gem of Architecture.

One of the most artistic of the recently erected houses is that just completed on Walsworth avenue, Linda Vista Terrace. The exterior lines, as well as the treatment of the materials used in the exterior finish, are very harmonious and pleasing. But while special attention has been given to the outer form, convenience and comfort have not been overlooked on the interior. In the number of rooms—five sleeping rooms in all, besides the usual apartments on the first floor—as well as their arrangement and appointments, the requirements of the most exacting home-wives have been studied and an impression of the result is suggested by the plan. about ten per cent of the voters of this county did not vote at that election. In other words practically about 3,000 votes were cast that should have been cast. Those names were properly upon the register. There are about ten or twelve thousand names upon the register who should not be there. You may ask why that is so. In a county where there are 30,000 voters a great many more come and register than the year they move. They say nothing about transfers and they do not do it. The year they move, and we do not cancel, have not been able to cancel their original registration. At this time there are fully 10,000 names upon the register who should not be there. And you will all agree with me that it is proper we should have a fair, true, correct voting list. on the very next day he can take that register and cancel every name upon it that did not vote at the general election. And on the third day subsequent to that general election, simply because a man happened to be away from home and did not vote, he could not vote at a school election three days subsequent to that general election. If there were any lawyer of fair ability that will give that construction to that law? I think you, Mr. Chairman, are a lawyer, follow that proposition, and the mere stating of the proposition alone is enough to show you that there has been a point strained in the effort to cancel names from the register.
